TRADERS No. 4 105 EAST FIRST STREET

Even though war clouds hover over our nation, do not be scared by cries of higher prices on food This store is prepared with a large stock of groceries. We all so made some very good buys on The only reason we did store more. We are prepared to maintain low prices indefinitely ers by throwing prices up just because we can. THE PEOPLE bead of hair as you have. I have and shall not betray our custom-

We sell for less and the goods must be good goods or the sale is no good.

105 EAST FIRST STREET | springt

Left Physician Pondering.
The odd farmer had no faith in the became so mignell that he was eventually induced to see a derior. A few days after his visit the derior set him, and remarked that

n lot better than I was," "Fo the medicine did you some good, after all, then?" said the physi-

einn.
"I dunne, zur, I dunne," the farmer went on: ""Tis like this 'ere, you see. Seen as I got outside your place, I dringed one-half, and throwed away the other but I can't tell which done can the most good?"

According to a report to the trade and comperce department by the Canadinn trade commissioner, soulowers grown in Canadian backyards may be There is a big demand for synthese shoul fills a top, which is about five cents a pound, delivered. In the post and purposes to feed birds and posttry, but large quantities are emissed in order to extract the cit, which is used in the manufacture of margarine, or artificial butter.-Toron-
